Easter Seal Campaign Nears Close With Returns Short Of \$20,000 Goal

As the 1952 Easter Seal campaign neared its close this week, Santa Clara County Crippled Children's Society leaders looked with concern toward final returns which they hoped would boost the drive over its \$20,000 goal. Early this week, returns were still several thousand dollars short of this mark. "There is still time for persons who received Easter Seals to express their interest in the welfare of crippled children by sending their donations," reminded Patrick H. Peabody, 1952 drive chairman.

Peabody pointed out the continuity which marks the County society's latest project, the sheltered workshop for severely handicapped young people maintained in the society's San Jose headquarters.

"The Crippled Children's Society was instrumental in founding the school which is now Chandler Tripp School for physically handicapped children," said Peabody. "The sheltered workshop is the next step for handicapped young people, a place where they can be instructed in gainful occupations and make a small income."

Peabody emphasized that the sheltered workshop is maintained in addition to the many other services made available to crippled children, services ranging from summer camping experience in the mountains to transportation to and from clinics.

"Easter Seals play a vital part in seeing that a handicapped youngster has his social as well as physical needs met," concluded Peabody.

MRS. SUTTER GIVES HISTORY AT GRANGE MEET

The only two living charter members of the Orchard City Grange, Mrs. Jessie Campbell and Mrs. Charlotte Sutter, were honored guests at the last regular meeting, Tuesday. Master George Shaddock presided.

Mrs. Sutter read a short history of the local Grange, which started in April 3, 1903, with Frank Mitchell the first master. Efforts were started then, Mrs. Sutter mentioned, to raise funds to build a Grange Hall. To date a large sum has been collected toward this end and when sufficient funds have been raised, it is intended that a Grange Hall will be built.

Past masters present at the meeting included Robert Scholz, William Coupland, Werner Rabb, Mrs. Jessie McChesney, J. C. Gordon, Herbert Shadle, Martin S. Walsh, and Joseph McKinnon. All masters gave short talks.

Mentioned in the talks were the California Physician's Service, and the Grange Credit Union, sponsored by the local Grange.

Also present at the meeting were widows of past masters, Mrs. Jessie Shelley, and Mrs. Bessie Merrill.

Entertainment was provided by Miss Lois Wileman, who played several selections on the marimba. Miss Arline Klein presented a dance. Virginia Rutherford accompanied on both selections.

Refreshment committee consisted of: Mr. and Mrs. Robert Ler, Miss Anne Kenyon, Mrs. William Windrum and Mrs. Harriet Miller. At the next meeting on April 22, a potluck supper will start at 6:30. After a short business meeting, there will be folk dancing to the recorded music of Mervyn Keesling.

TB MOBILE UNIT STATIONED AT CAMBRIAN PARK

The mobile tuberculosis unit of the County Health Department has been stationed at the corner of Woodward and Union Avenues during the past week to allow residents of Cambrian Park to have free chest X-ray examinations.

This has been one of a series of local health programs operated by the County Health Department and TB Association.

The county warns that since early TB can be discovered only by X-ray, it is to the advantage of all who are able to do so to take advantage of this free service. This is an annual service of the County Health department, and offers the best protection against early tuberculosis.

ROTARIANS SNIFF MARIJUANA DRUG AT LECTURE

Local Rotarians at their Monday sniffed marijuana ash—as an experiment and to lend realism to the talk on Narcotics by Bart Collins, chief of San Jose Detective Bureau.

Although there is a slight marijuana problem in southern California due to Mexican traffic, Collins depreciated the overall narcotics problem in western states, remarking that the narcotics situation has been blown up out of all proportion by national publicity.

"It is very light," he said, "and there is no problem in Santa Clara county."

Collins gave a run down on the various drugs, explaining their effects and illustrating his lecture with exhibits of devices used in taking the drugs.

Marijuana is sometimes a stimulant—sometimes a depressant, Collins pointed out. It is an excitant drug that winds you up like an eight-day clock, Collins remarked.

Opium, morphine and heroin are more serious. They make an addict get away from himself and make him think he is floating on a cloud.

Another drug, cocaine, is not as extensively used as formerly, Collins pointed out. It, too, is an excitant drug and acts somewhat like marijuana. Users of this drug are often referred to as "snowbirds."

Collins emphasized the tremendous profit in the infamous traffic, and explained how one ounce of the pure drug is diluted perhaps a hundredfold before it reaches its ultimate user. This in turn, Collins stated, results in a severe economic problem, since users are in no condition to hold a job and must resort to illegal methods to obtain the drug.

Campbell Firemen Elect Officers Tuesday Night

Campbell Volunteer Fire Department re-elected its officers, and named an executive committee Tuesday night.

Officers are: Jack Scott, chief; Eugene Scott, assistant chief; Henry Sanfilippo, secretary; Jack Chappell, treasurer.

Walt Silberbauer, Joe Meckler, George Adamson and Hans Nielsen are on the executive committee.

A state-sponsored training program will begin May 5 in which the Campbell department will participate.

TOMORROW WILL BE TOO LATE TO REGISTER

Today is the last day to register for voting in the June primaries. Campbell registration facilities are located at the real estate office of Guy Farley at 251 E. Campbell Avenue, and the office of Ellen Lanphear, 239 E. Campbell Avenue.

If you have not voted in the last general election, you are required to register if you plan to vote in the June 3 primaries.

Residence in the State of California for one year is required, as is county residence of 90 days.

Movement from one precinct to another nullifies former registration and persons so affected are required to re-register.

KIWANIS HEAR EASTER MESSAGE FROM REV. OLDS

Reverend Corwin Olds delivered an Easter message on the religious significance of the Easter season to local Kiwanis members at the last regular meeting Tuesday.

Introducing the speaker was the Reverend Herbert Neale of Campbell Methodist Church, Kiwanis member, who was chairman for the day's program.

Next scheduled meeting members will hear a talk by former Senator Herbert Jones on preserving the redwood trees of Butano Forest.

The public information committee of the Kiwanis has scheduled a tentative meeting for May 20 with Assemblyman Charles Gubser. This affair will be a political discussion with Arthur L. Johnson, Clark Bradley, and other 10th Congressional District officers and candidates participating.

Herb Shadle will be chairman of the political meeting and William C. Henley will be general chairman of the program.

Campbell C of C To Elect Officers For Coming Year

Nominating committee for election of officers for the Campbell Chamber of Commerce for the ensuing year has been appointed, according to Forrest Reese, secretary.

E. A. Hansell is the chairman, with Norman Corvello and Ted Solari on the nominating committee.

Ballots will be mailed on the 21st of this month. They will be counted by a committee appointed by the president at a board meeting. Installation will take place May 21.

Candidates for office are Mario Saia, for president; Joseph Agostino, for vice-president; for treasurer, Arthur Mayo. For directors, two of which are to be elected, are: Robert Seligson, Robert Jasmine, Anthony Raffanti, and Dave Ribble.

Outgoing directors are Richard Morton and Tom Burnett.

A trip committee has been appointed to formulate plans for an outing to the Old Hearst Ranch, to cost \$1.50 per person. Reservations may be made through Forrest Reese.

Local Contractor Believed Suicide

James R. Ensminger, 39, Campbell contractor and father of four found shot to death in his truck parked near Reno, Nevada, is believed to be a suicide, the Washoe County Sheriff's office said.

Ensminger lived at 437 San Tomas Road.

A shotgun was found on the running board of the truck. Ensminger apparently placed the muzzle of the gun under his chin and jerked the trigger, according to Deputy Sheriff William Driscoll, who found the dead man.

COUNCIL AGREES CAMPBELL CONSENT NECESSARY BEFORE ANNEXATION OF CAMBRIAN DISTRICT AREA

San Jose cannot annex the ten acres of Cambrian Park at New Jersey and Foxworthy Avenues, without the consent of the City of Campbell, it was pointed out by City Attorney Joseph Bonacina, at the second meeting of the Council Monday night in the Country Woman's Club house. In spite of San Jose's claim that the annexation proposal

was made before the City of Campbell incorporated, and therefore they need not have Campbell's consent, they have not completed the legal requirements of the annexation procedure, Bonacina affirmed.

Before a city may annex, they must publish a notice of hearing; it must adopt an annexation ordinance which must be filed with the Secretary of State at Sacramento.

"While it is true that the proposal to annex was made before Campbell incorporated, no annexation ordinance has been passed as yet. In the meantime, Campbell has become a going concern as a sixth class city, before the completion of the annexation procedure. This makes it mandatory that San Jose obtain Campbell's consent before continuing with its annexation procedure," Bonacina said.

Mayor Morton, as a lawyer, agreed with Bonacina's interpretation which prompted him to write a letter last week explaining the situation to San Jose City Council. Crux of the matter lies in that consent must be obtained from neighboring municipalities if the territory to be annexed lies within three miles of an incorporated city.

Chief objection from the Campbell City Council voiced by Councilman Joseph Gomes, aside from the principle of the thing which might permit a dangerous future interpretation or precedent, is that the proposed annexation would split the high school in that area, for which \$100,000 has just been appropriated for a new building.

Council agreed to allow the San Jose Council to reply to Mayor Morton's letter and deferred action until next meeting.

If no action were taken, the council agreed to enact a resolution protesting the proposed annexation.

Council also read and discussed rules of order, and moved to adopt a procedure outlined by Mayor Morton.

2. Deferred until next meeting the signing and execution of oaths of office.

3. Heard applications for City Engineer from Don Reineohl, Mark Thoms, and James McKenny. Applicant Don Reineohl was one of the original members of the General Committee for Campbell Incorporation. It was agreed to pay city engineer a nominal fee as a retainer but if a certain job was required, to pay for it on a time basis. The matter was deferred until a later date.

4. Agreed to allow the County of Santa Clara to continue to furnish fire, street, police and health services until such time as the city can operate its own, or until such time as the city can provide for them on a contract basis.

5. Agreed to discuss at a later time, a proposal concerning a regulatory franchise from the City of Campbell for garbage disposal.

Mr. Marc Vertin, spokesman for the Los Gatos-Campbell Scavenger Company, submitted the proposal to be considered by the council. Mayor Morton and Council agreed that it should be an open matter. They said they would entertain bids from all interested companies, but since the matter was not urgent, it should be deferred until a later date.

Concerning a true population figure for the City of Campbell, the mayor said that the registrar of voters will have compiled an accurate count of registered voters by April 30, which will be the basis of the true population of the City of Campbell.

Population counts are figured at 3 1/2 times the number of registered voters. Campbell is depending on State funds which are allotted on the basis of population; so it is necessary to get as high a count as possible, it was pointed out.

Council directed City Attorney to prepare a suggested resolution to designate three public places at which to post city ordinances during the coming year.

Campbell Canines Take High Titles

Kirk, German shorthaired pointer, belonging to Max Cobb of Campbell Avenue, was judged best local dog entered in Sunday's 10th Annual Santa Clara County Kennel Club show in County Fairgrounds. Champion "Kirk II" is a "liver and tick" a year and a half old, at 13½ months he had won six best of breed titles; two firsts in sporting group and second and third place awards in other groups.

He was adjudged "best dog in show" all breeds in a Sacramento showing October 21, 1951. He won "Best of Breed" title at Golden Gate show in San Francisco, February 28, 1952. He took a fourth in the Sporting Group this year in a Santa Clara showing, besides "Best Local Sporting Dog," and "Best of Breed." His owner, Mr. Cobb, plans to send him to the Westminster Show in Madison Square Garden in New York next year.

Max Cobb is the proud owner of seven new puppies, sons and daughters of Kirk and "Lady Cobb V. Schoenweide."

Best of opposite sex of breed was the title won by another canine Campbellite, Champion Milfra's Gran Blanca Carlena, owned by Mr. and Mrs. L. E. Garcia of Central Avenue. Carlena is a four-year-old Great Pyrenees. Her half-brother, Milfra's El Gran Blanco Zutano, owned by Miss Barbara Huson, was judged best of breed. Carlena's granddaughter, HarMac's Dona Admirable, aged six months, owned by Mr. and Mrs. Stanley Hardman of San Jose, was chosen as best of puppy bitches.

The Great Pyrenees breed is extremely old, reaching into antiquity. Bred by the Basques, who have never engaged in war and have kept to their mountain fastnesses, the Pyrenees dogs, like all Basque stock, have maintained a pure strain. The Great Pyrenees was the royal court dog of France, and one of the breed was immortalized by Rosa Bonheur in her painting, "Pyrenees Shepherd."

MUSICAL TEA, 'SPRING SONG,' FOLLOWS ARTISTIC TRADITION

"Spring Song," this year's musical tea to be given by the Women's Service Club of Campbell in the Methodist Church on April 30 at 2:30 p.m., will uphold the club's long tradition of artistic teas. The program will present Mrs. Reginald Loftus, interpretive reader, and Mr. Gus C. Lease, tenor. Mrs. Loftus, assistant director of the Los Gatos Theater Workshop for the past three years, has appeared with the Reginald Travers Players of San Francisco, the Palo Alto Community Theater and the Los Gatos Theater Workshop. Roles portrayed by Mrs. Loftus in the last-named organization include "Mama" in "I Remember Mama," "Charlotte" in "Skylark," "Crystal" in "Two Blind Mice," "Rheba" in "You Can't Take It With You," and "Lola" in "Come Back Little Sheba." Mrs. Loftus has been a member of the Department of Speech and Drama at Stanford University and also exchange professor to the University of Hawaii.

Mr. Lease, now an assistant professor at San Jose State College and Director of Choral Ensemble, formerly taught at the University of Colorado and the University of Oklahoma. He has studied with such prominent teachers as Estelle Lieblich, Myron Taylor and Joseph Bentonelli. Mr. Lease has been a member of the San Francisco Opera Company and soloist with the Sioux City, Oklahoma State, Colorado and San Jose Symphonies.

The annual tea is anticipated by many Santa Clara County residents as one of the outstanding social events of the community. The first musical tea given by the Service Club was "Spring Prelude" in 1947. This started a series of parties which will long be remembered for their fine programs, beautiful decorations and delightful tea time.

"Memory Lane," in 1948, featured the modeling of twelve wedding gowns worn by brides from 1856 through 1947. Many Service Club members recalled memories of a happy day in their lives when the gowns were shown.

Two large gilded bells, each five feet in diameter, were the center of decoration for "The Angelus" in 1949. A mission garden setting, with picket fence and spring flowers, completed the lovely scene.

California's jubilee year was celebrated by a showing of treasured keepsakes of members and their families. "Golden Treasures" also featured the finest of musical talent, as have all of the teas. The San Jose Trio, all members of the San Jose State faculty, presented the major portion of the program for "May Day Tea" in 1951.

Mrs. Rudy Golden, general chairman for this year's "Spring Song," reports that all committees are working hard to make this tea as outstanding as those of the past.

Country Women
Visit Magazine
A very delightful and educational pilgrimage was an annual event enjoyed by about a hundred members of the Country Woman's Club of Campbell, April 7.

Luncheon was served at "Rick-ey's" after which the ladies motored to Menlo Park for a tour of the Lane Publishing Company, the spacious home of the "Sunset" magazine.

The building is low rambling adobe and redwood, early California style. The design, grounds, coloring, and furnishings are in perfect harmony. Hand wrought iron, carved wood, woven rugs, many 16th century pieces complemented the magazine home. All the working facilities were set to expedite the delivery of the magazine to half a million subscribers.

This meeting was arranged by Mrs. L. E. Hendricks as chairman, assisted by Mesdames Walter Elsbrey, Henry Miller, Dean Chamberlin, G. E. Jeffers, and E. T. Ballot.

A card party will be held in the club hall, Monday afternoon, April 14.

April 21 will be the annual meeting and election of officers. All members are requested to be present.

Mrs. Hugh Nelson, Mrs. Andrew Olson, Mrs. George Black, Mrs. Dick Pitts, and Mrs. John McCracken were the new members introduced by Noble Grand Mrs. DuBois Rhine.

Dignitaries present who were welcomed and given seats of honor were Mrs. George Hinkley, District Deputy President of District No. 3, Walter Silberbauer, Grand Patriarch of District 13, and Jack Chappell, Grand Master of District 20.

Mrs. Kenneth W. Tuttle, a new member from Watsonville, was most cordially welcomed into the lodge.

Stitching Club had charge of the social hour. The halls were beautifully decorated in keeping with the Easter season. After lodge they served most delicious ice cream and home-made cookies.

The next meeting will be Hobo Night. Come in your old clothes and enjoy yourself. All Rebekahs of this area are most cordially welcome.

Dolores Walker, E. D. Peterson Recite Nuptial Vows April 5

Dolores Hansey Walker and E. Donald Peterson recited vows in a double ring ceremony last Saturday afternoon in the home of the bride's parents, Mr. and Mrs. Clarence Hansey, on White Road, San Jose. Dr. J. H. Strayer of the San Jose Calvary Methodist Church performed the nuptial ceremony.

The bride was given away by her father before a fireplace em-bankment of white roses and white lilies flanked by large baskets of white flowers. Silver candelabras appointed the mantel. A corsage of white orchids complemented the bride's costume, a suit of chocolate brown miron wool with diagonal pockets piped in white, white hat, gloves and brown and white spectator pumps.

Mrs. Owen Peterson, sister of the bridegroom, was matron of honor. Mrs. Peterson wore a beige miron wool suit with white accessories, and brown and white spectator pumps. Her corsage was of pink camellias.

Mr. Owen Peterson was his brother's best man.

The mother of the bride was costumed in a black and white silk printed gown, with white accessories and a corsage of red roses.

The ceremony was followed by a buffet luncheon and dancing in the garden. The wedding table was beautifully decorated with white satin slippers filled with bouvardia, lilies of the valley, white and pink baby roses, and ribbon streamers leading to the three-tier wedding cake. The decor for the occasion was executed by the bride's aunt, Mrs. Albert Sloan, who is well known for her prize-winning exhibits in flower shows.

Approximately sixty guests attended the event.

The newly-wedded couple went to Monterey for their honeymoon, and on their return will occupy their new home in Coyote.

Mrs. Peterson attended Campbell Union High school and was graduated from San Jose High school. Mr. Peterson, son of E. A. Peterson of Bellingham, Washington, attended Oregon State College and is a veteran of World War II, in which he served in the Marine Corp. He is employed by the Morgan Hill Telephone Company.

The first fruit drying plant in Campbell was established in the summer of 1887 by George A. Flemming Co., under the management of R. D. Shaw.

Moreland School To Hold Benefit

The Moreland School and Moreland PTA will sponsor a two-hour magic show, "The Great Toss-saint," at the Campbell Union high school auditorium at 8 p.m., Friday, April 18. The profits of this show will be used for the benefit of the school orchestra.

Because of the great growth in enrollment at Moreland school, there has been a large increase in the number of students who wish to study or play a musical instrument. Since Moreland has a limited variety of orchestral instruments, additional funds are needed now to furnish students with instruments which will give immediate help in strengthening the orchestra.

Miss Margaret Sanfilippo, director of the Moreland School orchestra, announces that tickets for the Magic Show may be purchased at the door of the Campbell High school auditorium on April 18. Admission price is 50c for adults and 25c for children.

Campbell Grammar School was first opened on January 21, 1889, with Miss Minnie Gray as teacher, and H. S. Foote, E. N. Parr and Charles E. West as first board of trustees.

The oldest Campbell civic organization was the Board of Trade, which later became the Improvement Club, and in 1924 the Chamber of Commerce.

Campbell Man Receives Award In Korea Fight

In a press release from Korea dated March 17, came notice that PFC Harold Inouye of 300-A Downing street was recently awarded the Combat Infantryman Badge, symbol of the front line fighting man while with the 40th Infantry Division in Korea.

The badge shows a miniature Revolutionary War flintlock rifle mounted against a blue rectangle. A silver wreath extends across the bottom and up the sides of the badge.

The 40th, from southern California, was the first National Guard division to arrive overseas after the start of the Korean War. The unit trained for 16 months in Japan before it was committed to Korea in January.

Inouye is serving in Company F, 169th Infantry Regiment.

Back in home port along with other crew members of the landing ship, tank, USS 854, which recently returned to the United States after nine months in Far Eastern waters, is Loren R. Warning, gunner's mate, third class, USN, son of Mr. and Mrs. A. G. Warning of 351 West Campbell Avenue, and husband of Mrs. Marian L. Warning of 340 South Union Avenue, all of Campbell.

The ship, a member of LST Division 34, recently helped perform "operation refugee," delivering Korean refugees from front-line areas to Mokpo, Korea. Previously she had helped transport the California 40th Division to Inchon, Korea.

Arriving in Korea in June, 1951, the LST carried prisoners of war from the battle area to camps in South Korea.

Crew members were commended for their "spirit of cooperation" in November, 1951, by the Commander Eighth Army, when they sped

up unloading processes in Pusan in time to pick up 250 Army personnel at Kije Do for rotation back to the U.S., via Pusan.

Joseph Herman Mussler, son of Mrs. Bernice Mussler, of 26 North First street, Campbell, was one of the five Santa Clara county boys who enlisted into the U. S. Navy on April 7, 1952, through the San Jose Navy Recruiting Station. He was enlisted for a four-year term as Seaman Recruit. After his eleven weeks recruit training at San Diego, he will either go to a trade school, a ship, or some naval base for duty.

The Paricutin, named after the world's newest volcano at Paricutin, Mexico, operated with the United Nations naval replenishment group off both coasts of Korea.

The ship delivered a total of 19,236 short tons of ammunition and shore based marine air groups. The ammunition ship sailed from Port Chicago, California, on October 8, 1950, and departed from Japan for San Francisco March 25.

ROBERT NEILY PICKED TO WIN BATBOY CONTEST

Robert Neily, 471 Wainright Avenue, 14-year-old freshman at Campbell Union High school, is one of four top winners in an essay contest sponsored by the San Jose Red Sox.

The contest is to pick a batboy for the Red Sox in the coming baseball season. Contestants had to set forth reasons why they wanted the job and entries were picked for neatness and content.

After initial choices from the essays, the final winner will be the boy who receives the highest number of votes cast. Votes may be dropped at Gordon's Sport Shop in San Jose.

Bobby came to Campbell four years ago from Boston, Massachusetts, where he was an avid fan of the Boston Red Sox. He is studying another hobby beside baseball, cartoon drawing, and has quite a selection according to his mother. Most of his work deals with baseball.

He was a former Den Chief of Moorpark Cub scouts, and also plays the trumpet. Friends of Bob are reminded to cast votes for him at Gordon's Sport shop as the final winner has not yet been picked.

New Church To Hold First Sunday Services

Outdoor Easter services of the Cambrian Park Methodist church will be held at 11 a.m. on the church property at Wyrick and Gunstan Way. A public address system will be installed for this first church service.

Dr. John R. Wilkins, superintendent of the San Jose district, will be in charge of the opening service.

There will be no Sunday school classes at 10 a.m., but families are urged to attend as a unit.

Child care will be provided at the parsonage at 14905 Leigh Ave. The old address of the parsonage was 242 Leigh Avenue.

In case of unfavorable weather conditions, services will be held in the auditorium of Union school.

CHRYSLER FirePower

is so much more than HORSEPOWER

+ It's worth remembering that today's Chrysler V-8 is not a "warmed-over" engine, but basically brand new . . . the first truly new type engine of modern times. It does, indeed, open new horsepower potentials, but what it can mean to you goes way beyond just that . . .

+ FirePower gives your gasoline a better place to work . . . the first hemispherical combustion chamber in a stock-car engine. It makes possible more power from every drop of gas. You feel it the minute you open up a Chrysler, in greater accelerating power than you've ever had at your command . . .

+ FirePower is also a better-built engine throughout. It doesn't require premium fuel. It runs with less waste, less heat, less wear, less carbon deposit than other type engines can do. More of your gasoline's energy is turned into actual road power, greater reserve for passing and top speeds when needed . . .

+ Why not drive this revolutionary new-type engine, and feel its wonderful difference for yourself? Let your Chrysler dealer show you how much more than horsepower your money can buy in the engine Chrysler has designed from scratch to do an engine's job better, longer, and more efficiently than previous engines can hope to do!

PROCLAMATION DECLARES APRIL CANCER MONTH

The American Cancer Society is attempting to "zero in" its big research gun on hidden cancers. Some of the nation's best laboratory investigators are concentrating their efforts on finding a simple and reliable diagnostic test that will unmask cancer in elusive sites when the disease is in an early enough stage for cure.

The City of Campbell, cooperating in raising funds for this work, has issued a proclamation designating the month of April as "Cancer Control Month." The mayor requests every resident of this city and surrounding areas to participate in the observance of this occasion and to wholeheartedly support the 1952 Cancer Crusade.

Mrs. Richard W. Morton, wife of the mayor, has been appointed chairman of the local Cancer drive, assisted by Mrs. J. Frederic Snyder, as co-chairman.

PUBLIC SCHOOLS TO HOLD 33RD ANNUAL AFFAIR

The 33rd annual Public Schools Week observance will be held throughout California April 28th through May 2, according to Geo. D. Gavin, chairman of the general committee, with more schools and more citizen committees participating than ever before.

The slogan of the week is, "The Public School—An American Heritage" and the effort of all individual observances will be directed toward getting as many people to visit one or more schools during the week.

"With more than 70,000 school children in the state denied all but part-time classroom instruction, the need for a closer understanding of the public school crisis is very great," Gavin said.

"We have more than 700 committees working with the school authorities to present the story of the public school. We feel there is an obligation on the part of all citizens, conscious of the importance of education as training for citizenship, to know just what the schools are doing and what their problems are today."

Merchants, corporations, clubs and organizations of all types are joining to help dramatize the story of the Public School. Speakers' bureaus in some communities report extensive speaking schedules before service clubs, veterans' organizations and others. Merchants are making special window displays to illustrate the work of the schools.

One of the themes of the week will be "Let's all go back to school—if but for a day."

S. J. COUNCIL DELAYS ANNEX MOVE ONE WEEK

San Jose City Council deferred action on its proposal to annex 10 acres of Cambrian Park one week because of the absence of two members, Mayor Clark L. Bradley and Councilman Robert C. Doerr.

Protests to the annexation came from Mayor Morton of Campbell, and the other from Los Gatos Town Council.

Both protests were on grounds that the proposed annexation area was within three miles of the respective cities and consent had not been obtained as required by law.

In contrast to the opposition, a large delegation of prominent home builders and subdividers attended the hearing to urge that the annexation be carried out.

Principal reasons for the annexation move was that residents of Cambrian Park may benefit from the city's overall planning program.

TV Program To Air Views On Government

In an attempt to eliminate smear campaigns about the U.S. government and the people who work for it, TV station KPIX in San Francisco will present a non-political program entitled, "Is Government Telling Its Story?" at 7 p.m. next Thursday.

The program, one of a series of public discussions sponsored by the Georgetown University Forum, attempts to acquaint the public with important facts about how their government operates.

By bringing the matter to light and by promoting public discussions in a rational rather than an emotional manner, the program, which originated in Washington, D.C., hopes to create in the minds of the American people more appreciation and respect for the Government of the United States.

In a recent talk to the Federal Personnel Council in Washington, Robert Ramspeck, Chairman of the Civil Service Commission, said he was concerned with the effect on government of the indiscriminate smearing tactics being directed against the people who work for the government.

"My concern," Ramspeck said, "is not based on my interest in the individual employees in the Government or even in the employees collectively, but on a much more fundamental problem, which is the effect upon our country and its basic concept of government, of the smearing tactics being directed against the people who work for the government."

Whimsy Backfires For Nursery Man

Ernest Pohlhammer, of Pohlhammer Nursery, found out (the hard way) that it doesn't pay to mix business with pleasure.

Pohlhammer chugs around town in a battered "Model T" Ford, with his working implements piled in back. On the door of his truck, a sign reads, WEGOTNO RANCH. The sign is a takeoff on "stuffed shirt" city dwellers who drive late model station wagons around town with high-falutin' ranch names on the doors merely for effect.

Last week, though, (April Fool's Day) Pohlhammer drove up to the home of Mrs. Angelica Brandt, 525 South Union Avenue, to do some work on her property.

Mrs. Brandt, not knowing Pohlhammer personally, in payment for his work handed him a check payable to the name on the door of his truck.

When Pohlhammer went to cash it, he found to his amazement that it was made out to read "WEGOTNO \$10.00."

Pohlhammer is wondering if his little joke on pompous towners has not backfired, and is also wondering if Mrs. Brandt has the \$10.00 in the bank to pay for his work.

Junior Chamber District Four state policies were formulated and nominations for state offices were discussed. Campbell Artist Wins First Prize At Exhibition

Jackie Davis, art student of Mrs. Winston of Campbell High School Art Department, won first prize in the senior group of contestants from the State of California, at a showing in Santa Monica last week, sponsored by the General Federation of Women's Clubs.

Her painting, entitled, "City Street," judged the best by a group of five prominent California artists, will be sent East to compete with paintings submitted from students under 18 years of age from high schools and art classes all over the country.

The winning paintings from the nation will be sent on a tour of Europe.

The theme of the paintings submitted was "American Way of Life."

Campbell Country Woman's Club sponsored the paintings sent from Campbell Union High school.

PTA TO MEET

Campbell Union High School Parent Teachers' Association will meet April 16, in the girl's gym at 6:30 p.m. for a potluck dinner. Mrs. John Cantoni will preside over the meeting.

Hostesses for the affair will be members of the faculty.

The speaker for the evening will be Dean John Bartky of Stanford. There will be movies for the children.

If anyone has noticed anything peculiar about some local merchants this week, perhaps there is a reason after all.

Diabetic Blind Class Opens

A class chiefly for the diabetic blind opens this week at the training school in San Rafael, conducted by Guide Dogs for the Blind. It was announced today by William F. Johns.

"The demand from diabetic sufferers who have become blind was sufficient for us to establish a special class two years ago, to be conducted annually for the benefit of these applicants," Mr. Johns stated.

Johns pointed out that the most exacting physical care is given the diabetic students. A registered nurse is on duty 24 hours a day.

A nurse accompanies students on their training walks. Every item of food is prepared and weighed according to instructions.

JV NINE DROPS FIRST BALL GAME TO S.J. TECH

In spite of a homer by Lou Nunez and a double by Rex Kendall, Campbell JV's lost their first season baseball game to San Jose Tech, 14-12, because of errors.

The Tigers tabbed 18 hits off Wayne Lee and Paul Zimmerman, who divided pitching chores. Thirteen hits were given up by Lee and five by Zimmerman.

Nunez and Kendall led the Bucs with two hits apiece. Nunez bagged a homer and a single, and Kendall poled a double and a one-bagger.

Lee struck out three and walked two, while Zimmerman whiffed seven and strolled three.

CAMPBELL HIGH RACQUETEERS MEET DEFEAT

Campbell High Coach Fred Gugat has picked the first swim team to perform for Campbell High school on the basis of performance in recent meets.

Ron Gilpatrick will stroke the 50 and 100 yard freestyle events. Bob Dalzell is the number one 50-yard breaststroke, with Herman

Gerke and Gary Hingley doing the 100 yard backstroke and freestyle. Gene Vargas has been picked for the 200 yard freestyle. Jim Merritt will be the one to watch in the 150 yard individual medley relay events.

Rich Calloway will handle the diving chores and George Rohrbacker is the key man on the 200-yard relay team. These men are undefeated in three meets and will form the nucleus around which the remaining swimmers will form.

CAMPBELL RAPS MT. VIEW, 7-1

Buc batmen rapped out a 7-1 triumph last Friday over Mt. View Eagles with Ron Bacon poling out two hits and handling the winning pitching chores.

Campbell high batters had the Eagles field zeroed in as they peppered the lot with 11 safeties. Larry Pereira garnered a triple and a double, both with two men on base. Jay Propst collected three hits, and third baseman Duane Burrows chalked up two good wall-ops.

MORE ABOUT City Council

ing the first year of city operation. After that time, they will be published in the Campbell Press.

Suggested public places were: entrance to Country Woman's Clubhouse; 2. Campbell Fire Station at North Central Avenue; 3. Entrance to the Postoffice on East Campbell Avenue.

It was moved that this be deferred until next meeting until permission was granted from places concerned.

A motion to adopt the Uniform Building Code as presently maintained by the County was deferred until members had studied it. They were directed to decide on changes and suggestions for the next meeting.

Council directed the City Attorney to write up a resolution which would permit the City Clerk to buy supplies exempt from the three percent State sales tax, which is permissible under State law for incorporated areas.

JUNIOR CLASS PLANS PROM FOR MAY 9

Campbell High School Junior Class of 1952 has set the date of the junior prom for May 9, at the girls' gym, with a setting entitled "Moonlight in May."

Although a dance band has not yet been decided on, Dick Bradford, in charge of the band committee promises there will be dancing from 9 p.m. to 12 p.m.

Dress will be semi-formal. Girls will wear evening dresses and the boys may wear suits or dinner jackets, the bid committee announces.

Alice Jones and Carol Schrader have been put in charge of the decorations and urge anyone with good ideas and a willingness to help to sign up. Chaperones for the annual affair will be the Junior class advisors.

Junior and senior signups will begin May 5. Everyone wishing to attend the dance must sign up, the bid committee says. Bids will be issued to only those juniors and seniors who are planning to attend.

The bids committee consists of Donna Shaddock, Marilyn Hall, Gloria Lukehart, Joe Parysek, and Maud Crain. Miss Thurnen will help the committee.
